Livability

Role Profile

Research Volunteer

Project/Service:	Community & Events Fundraising Team
Supervised by:	Head of Community & Events
Where:	Virtual
Hours:	Minimum 3-hours per month

Livability is the charity that's committed to enabling people with disabilities to live the life they want to lead. We work to change what is unlivable, helping people to tackle the barriers they face and create a livable life. We believe that the people we support have the right to a full and flourishing life. Do you to be part of changing lives too?

We strive to transform how people with disabilities connect with their communities. What makes life livable is never down to just one thing. It's the sum of many things: from support to signposting; mobility to freedom; education to employment; and friendship to community.

Through a frontline team of over 1,400 we provide the following disability care locations across the UK - 25 residential care homes, 5 nursing and 49 supported living services: a specialist school and a further education college; a wellbeing discovery centre set in 350 acres; independent and supported living programmes for people with disabilities; rehabilitation centre for brain injury.

Our Fundraising Team enables the value-add to enhance the lives of people we support as well as support Livability's core funding. We aim to raise £4m p.a. and our approaches and relationships with Regional Corporates, Regional Trusts & Community Foundations along with Community Organisations and Schools is critical to enhancing our reach in communities around Livability services.

If this sounds like the type of role you're looking for, typical tasks will include:

- Prospect research contacts in communities surrounding Livability services in England, Wales and Northern Ireland, collating key information
- Assist creating applications or relevant approaches (e.g. presentations), to newly identified or existing contacts in our portfolio

What we can offer you:

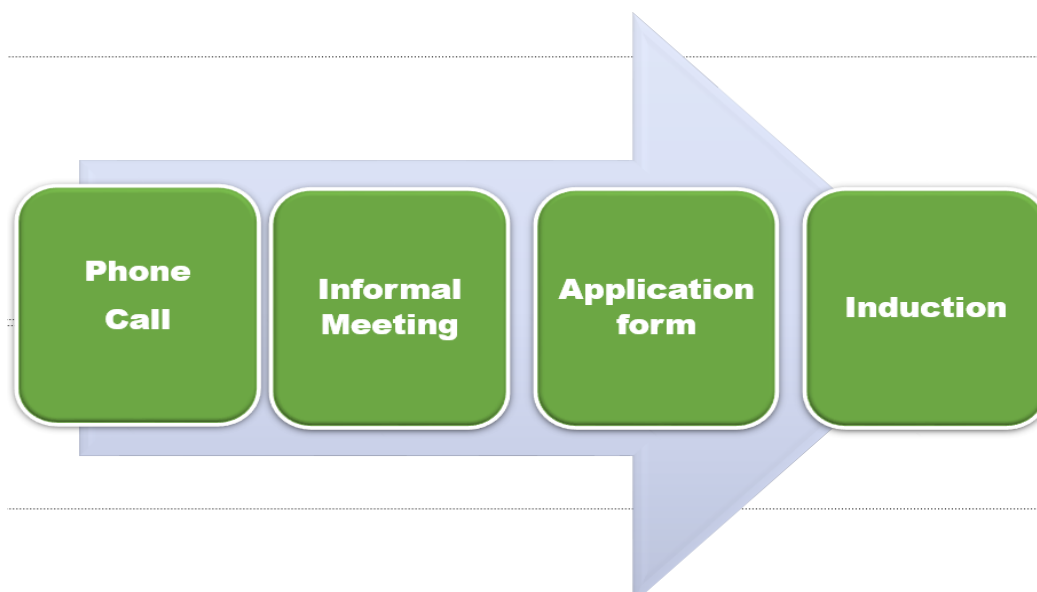

- A rewarding volunteer role to enhance your skills and CV
- Support and guidance alongside the freedom to be creative
- Make a real difference for people living with disabilities

What we are looking for:

- A team player who can be proficient at autonomous work
- Very methodical with a good eye for detail
- Competent at data collation and management (e.g. Excel)
- Excellent written skills to support applications / presentations etc.
- Commitment and reliability
- Good communication and interpersonal skills

Recruitment Process:

- We aim to run an inclusive volunteering programme. We welcome applications from people who are living with a disability. Our process of recruitment is:
